

Re-design a Mobile Phone

A well-known construction company wants to design a new mobile phone for its employees. Design a tough, weatherproof mobile phone that can be easy to use and can stand up to the abuse of a construction workplace/environment.

List 5 things that your design must do or be like for it to be a success.

- 1.
- 2.
- 3.
- 4.
- 5.

Development sketches of your ideas
