

Re-design a radio

Radios were considered to be old fashioned, but they are becoming popular again. Design a new/futuristic digital radio that a young professional would want to buy and display in their home, and that has some additional special features.

List 5 things that your design must do or be like for it to be a success.

- 1.
- 2.
- 3.
- 4.
- 5.

Development sketches of your ideas
