

Fun USB Hub

USB hubs are normally designed to be small and functional. You are to create a novelty design for a new USB hub that could be sold in gift shops. It can be designed for any end user of your choosing. It must have at least 4 USB ports.

List 5 things that your design must do or be like for it to be a success.

- 1.
- 2.
- 3.
- 4.
- 5.

User profile

Who do you think will buy your USB hub? What are they like and what do they like?

Development sketches of your ideas
