

IT Teacher / Head of STEM

Full time, ongoing secondary teacher commencing in 2020. Enjoy working at an independent school with a great team near Berwick.

- Full time, ongoing teaching position
- Commencing in 2020
- Potential leadership role

Hillcrest Christian College is an Independent, Co-educational school, with over 1,400 students spanning ELC to VCE. The College consists of Primary (ELC to Year 6) and Secondary (Years 7-12) sections, with modern facilities at Clyde North.

The College invites applications from secondary-qualified Teachers to deliver Year 9, 11 and 12 Computing, and Year 7 STEM (Science, Technology, Engineering and Mathematics) classes. The substantive role of teacher is offered as an ongoing position, with the potential leadership as Head of STEM having a three-year tenure commencing 20th January 2020.

The successful candidate will have:

- the desire to teach in an environment where both Christian values and academic excellence are emphasised
- enthusiasm for developing a cohesive staff team
- proven ability to drive academic achievement whilst supporting a diversity of learners
- capacity to teach Digital Technology and STEM with outstanding results
- strong academic qualifications and a commitment to ongoing professional learning

Applicants must be able to demonstrate a genuine commitment to the Christian ethos of Hillcrest.

Hillcrest Christian College is a child safe employer and is committed to the welfare of children and their protection. All potential employees and volunteers will be required to comply with the College's Code of Conduct and Child Safe Policy. Applicants are required to provide a valid VIT registration and will be subject to police and background checking in accordance with this policy.

Applications will be considered upon receipt.

Candidates are required to complete the online application and supply a covering letter and CV. Please state any other subject specialisations.

Applications should be addressed to Mrs Joanne Ball, Human Resources Manager.

Alternatively, for further information, please call Joanne on 9707 7324.
