Dear Parent/Guardian,

So You Think You Can Design – Sponsored by Swinburne University of Technology & Picokit

Your son/daughter has been selected to be part of So You Think You Can Design, an exciting state-wide competition run by DATTA Vic (The Design and Technology Teachers’ Association Victoria). The first round will take place in school during the Week of Design, from the 21st – 24th March 2016.

Your son/daughter will take part in several design challenges over the course of the Week of Design. The work from the best 2 students only from each participating school will be entered in to a final judging panel. The best 5 school entries will be invited to take part in the So You Think You Can Design Finals to be held at Harvester Technical College, Sunshine on Friday 13th and Saturday 14th May 2016, and will have the chance of winning the So You Think You Can Design title and a substantial prize.

All finalists will also be invited to attend a Design Masterclass at Swinburne University’s Advanced Manufacturing & Design Centre later in the year – the date is TBC.

Photographs and video footage will be taken during all the events and used in promotional publications for DATTA Vic.

We hope that you allow your son/daughter to attend and compete in this exciting and creative state-wide event and I am sure they will be great representatives for you, their school and our learning area.

Permission slip

I give permission for my son/daughter to attend DATTA Vic So You Think You Can Design events in their school throughout the Week of Design (21st – 24th March 2016), and if selected, to take part in the SYTYCD finals at the DATTA Vic conference on the 13th & 14th of May.

I give permission for my daughter/son’s image to be used in film and photographs for future DATTA Vic publications and YouTube videos.
