

The Boomerang

What was the name of 'throwing sticks' that came before the Boomerang?

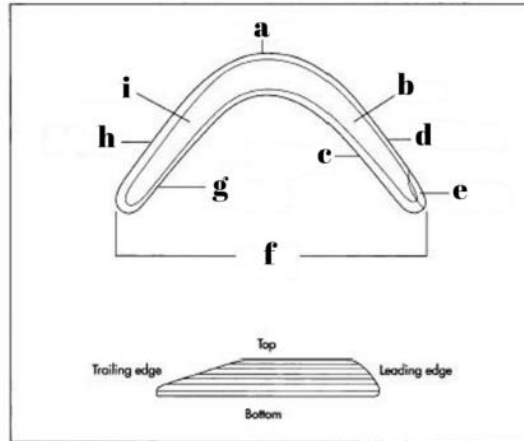

Where was the first 'throwing stick' found and how old do people think it could be?

Where was the oldest boomerang found in Australia and how far back can it be dated?

What material are boomerangs primarily made of and why?

List some of the uses/functions of the boomerang:

Examples of the Boomerang used in designs by indigenous designer, Alison Page.

Label the parts:

- a -
- b -
- c -
- d -
- e -
- f -
- g -
- h -
- i -

Draw the SHAPE of the boomerang in the space below – can you write down the words you'd use to describe its SHAPE?

In the space below, design and draw a **new** product that incorporates the shape, form, material and/or function of the boomerang, that can be used around the home. (Remember: you can repeat shapes or change the size to create a design that is aesthetically interesting!) Don't forget to **label parts of your design!**

Draw the 3D FORM of the boomerang in the space below – can you write down the words you'd use to describe its FORM?
